

Question:
A robe takes 2 bolts of blue fiber and half that much white fiber. How many bolts in total does it take?

Reasoning + Answer:

<think>
they took 2
half of 2 is 2 / 2
2 / 2 is 1
so they took 1
they took 2 + 1
2 + 1 = 3
so they took 3
they took 3
so they took 3
they took 3
they took 3
they took 3
they took 3
they took 3
they took 3
they took 3
they took 3
they took 3
