

Question:

Toula went to the bakery and bought various types of pastries. She bought 3 dozen donuts which cost \$68 per dozen, 2 dozen mini cupcakes which cost \$80 per dozen, and 6 dozen mini cheesecakes for \$55 per dozen. How much was the total cost?

Reasoning + Answer:

<think>
Dozens : 3 + 2 + 6 = 11 .
Cost = 11 * 68 + 2 * 80 + 6 * 55 = 648 + 160 + 330 = 1138 .
<answer> 1138 </answer>
