

Question:

What are the minimum and maximum possible values of Glasgow Coma Score?

Answer Choices:

- A. Minimum = 3, Maximum = 15
- B. Minimum = 0, Maximum = 13
- C. Minimum = 0, Maximum = 15
- D. Minimum = 3, Maximum = 18

Reasoning + Answer:

<think> in the Glasgow Coma Scale (GCS), the minimum score is 3 , which corresponds to the lowest level of consciousness , and the maximum score is 15 , which is the fully awake and alert state </think>
><answer> Minimum = 3 , Maximum = 15 </answer>
