

Question:

What are the minimum and maximum possible values of Glasgow Coma Score?

Answer Choices:

- A. Minimum = 3, Maximum = 15
- B. Minimum = 0, Maximum = 13
- C. Minimum = 0, Maximum = 15
- D. Minimum = 3, Maximum = 18

Reasoning + Answer:

<think> Glasgow Coma Score (GCS) ranges from 3 to 15, where 3 is the lowest score (no brain stem function) and 15 is the highest score (fully alert and oriented). </think><answer> Minimum = 0, Maximum = 15 </answer>
